South Region - CSF Conference 2019 Registration

Hillcrest High School and CSF Chapter 1500 invite you and your students to the CSF South Region 2019 conference!

Advisers: Please direct all questions about payment, event schedule, etc. to AMY BONWELL (951)264-5946

(call or text) or email amybonwell@gmail.com (personal account accepting registrations) or amy.bonwell@alvordschools.org (school email)

Please register soon, or send me an email with your expected #s. We will announce a cutoff date closer to the event and the cost will be \$30/each person. You can register the day of the event, however we need to plan catering around expected numbers, so please send an email if you think you MIGHT attend and the # of students attending.

A few reminders:

- The theme is Disney - costumes are encouraged!
- There should be at least one adviser or adult attending with your students. If you cannot make it and do not have an alternate chaperone available, please contact amy.bonwell@alvordschools.org ASAP before registering. If your students are receiving a scholarship, that will be coordinated with the board and parents will be welcome to attend.
- Transportation is not included; you must arrange as a club (you can fundraise to help cover or charge your members directly according to your schools' rule for trips)
- One check with all registration fees included is preferred, however, you may elect to collect payment from your students then forward those checks on to us. Please contact me if you need help with payment, or contact Hillcrest HS at (951) 358-1755 and ask for Tina Strand in Activities/finance with further payment questions if the traditional check payment is not possible.
- The registration cost covers breakfast/lunch, workshops, and event costs. Our club must cover custodial, food, and materials costs as well as our chapter's senior stoles later this year, so we truly appreciate you attending!
- I will update this form to include the flier with more information about the workshop and lunch options; that will also be sent to you via CSF.
